

## "CASH FOR GOLD EVENT"

Dear Premier Athletic Parents:

Premier Athletics is hosting a "Cash for Gold" event on Saturday, September 24, 2011 from 3-6 pm at the gym (906 Callahan Road, Knoxville). **Get CASH for your unwanted gold and silver.**

Triangle Gold (located in North Carolina) pays the highest price available for these items by avoiding any middle men. We recently used them for the same type of fundraiser at our Clayton, North Carolina gym and the parents raved about how they received a better price than what was offered at any other place.

Participation is easy. Bring your "goods" in a plastic bag with the attached form inside. You can decide whether to keep the cash and/or use it for your child's gym fees, uniforms, or competitions fees. We encourage you to have friends and family members participate also. Everyone will be surprised how much cash can be given because of the high value of gold today!

One special note: the gym has two athletes (Kaylah Whaley and Ashley Kessler) and their coach (Eric Thomas) traveling to the Trampoline and Tumbling World Championships and World Age Group Championships in Birmingham, England this November 13-27. Triangle Gold has offered to give a percentage of their own revenue, after all cash has been paid to you for gold and silver, to help with the tremendous expense associated with traveling to this event. This means that your sale of gold and/or silver can help you, as well as help our program.

**On the attached flyer is the Triangle Gold Company phone number and website if you have questions** about what you should or should not bring. Here are some examples of items that you can sell for cash: (even one individual item is welcome)

- Coins - gold and silver
- Flatware (gold or silver) - forks, spoons, knives, tea pots, serving trays and utensils
- Paper Currency
- Antiques
- Gold or Silver Earrings, rings watches, bracelets, charms, etc (all gems will be returned to you)

In order to make sure the Triangle Gold Company has enough employees to cover this event, please let us know the time and size of bag you intend to bring. We estimate that each session will take about 30 minutes, so please text your RSVP to 865-805-4419 by September 20<sup>th</sup> if you are planning to participate.
